

## Recognizing the power of primary care

At FamilyCare Health, we know there is a strong connection between primary care and good health. That's why our reimbursement rates for primary care providers are among the highest of any Medicaid health plan in the U.S.

Gay Men's  
Chorus

Health happens in all sorts of places. In our homes. At our parks and schools. Listening to music with family and friends.

At FamilyCare Health, we're committed to supporting the whole health of our 125,000 Medicaid and Medicare members, empowering them to lead happy and fulfilling lives where they live, work, and play. To find out more about our plans and philosophy of care, visit [www.familycareinc.org](http://www.familycareinc.org) or call 800-458-9518.
